

## ***No.1 Star Medal***

### ***Materials***

- \* 1 length of ribbon or string (approx. 2 ft. for each medal)
- \* Safety scissors
- \* Colouring Pens or Pencils

### ***Instructions***

1. Colour in the medal.
2. With the help of a grown-up, cut out the medal following the dotted lines.
3. Carefully cut out the smaller circle.
4. Thread the ribbon or string through the smaller hole and tie in a knot.
5. Now you have your very own medal to wear or give to a friend to celebrate a job well done!
